INTERGLOBAL **EXHIBITS™**

ABOUT US

InterGlobal Exhibits (IGE) is a boutique exhibit house specializing in the design and fabrication of trade show exhibits, corporate events and retail installations. We are a private, family-owned business with almost 25 years of experience in the industry. Supporting client projects domestically or internationally, we have a state-of-the-art design studio, full fabrication facilities and storage, as well as offer logistics and show services.

Our corporate culture is informal and comprised of excellent talent in design, management, engineering, accounting and manufacturing. We are a creative, detail-oriented team, eager to impress from start to finish. We appreciate the growth that comes from a challenge and enjoy helping execute the visions of our partners. Good business is about building relationships and some of the most demanding marketing managers in the world trust us to develop rich, memorable brand experiences.
